A member of Association of Professional Women Engineers of Nigeria (APWEN), and the current chairman of APWEN, Enugu State chapter

APWEN is a division of the Nigerian Society of Engineers (NSE), a non Governmental umbrella body for all female engineers in Nigeria. We are also a sister organization to USA Society of Women Engineers. We equip women engineers to attain relevant professional development and experience as much as possible. As APWEN chairman we embarked on professional development programs through seminars, career talks, coaching and mentoring female engineering students, etc. We continues to be the vanguard for women in engineering as we deliver programmes that propagate our motto: ENCOURAGE, ENHANCE AND EXCEL
