Hon'ble Minister of Science and
Technology and Earth Sciences
will be our Chief Guest at the
Inaugural Ceremony of Conference

**17th International
Conference of
Women Engineers
and Scientists
ICWES17**

5th - 7th October 2017
Hotel Pullman New Delhi Aerocity

Vision 2025

INWES

International Network of Women Engineers and Scientists (INWES)

INWES was established to: "Strengthen the capacity of individuals, organisations, and corporations through education and professional development to encourage the participation of women in Science, Technology, Engineering, and Mathematics (STEM) worldwide through an international network of organisations and experts." With the goal of: "Building a better future worldwide through full and effective participation of women and girls in all aspects of Science, Technology, Engineering, and Mathematics (STEM)."

Members include organisational members (not-for-profit organisations and associations supporting women in STEM), corporate members (businesses and corporations interested in or employing women in STEM), individual members, and university/institute members. INWES is a global network of members over 60 countries worldwide. It is a not-for-profit organization governed by a Board of Directors.

WISE India

Women in Science and Engineering (WISE)

WISE India aims to create career opportunities for women by increasing awareness, providing support, enhancing capacity building as well as by influencing policies for promoting women in the field of science and engineering. WISE India is proud to be an organizational member of the prestigious INWES, which is a global network of organizations of women in Science, Technology, Engineering and Mathematics (STEM).

ICWES17

17th International Conference of Women Engineers and Scientists (ICWES17)

The ICWES17 has been scheduled during October 5th - 7th, 2017 at Hotel Pullman New Delhi Aerocity. As it is a great opportunity for learning, sharing experiences and meeting stalwarts of our fraternity.

Themes:

- Role of Women in Engineering

About Delhi: The capital city of India, Delhi is the second largest metropolis of India with a population of over 13 million. As it has a very glorious past, it showcases an interesting blend of tradition with modernity. The conference venue is quite near to the airport and one can plan to stay at the venue itself but if you want to explore Delhi, go ahead as the venue is well connected - through road & metro.

Venue: Hotel Pullman New Delhi Aerocity

Abstract Submission

Last Date for the Proposal Submission has been extended to 15th May, 2017

We are pleased to inform that responding your request, the last date for the submission has been extended for the 17th International Conference of Women Engineers & Scientists.

You can submit the proposal in below formats:

- Lecture Presentations (45 minutes + 10 minutes Q&A)
- Workshops (1 or 2 hours)
- Panel Discussions (1 hour)
- Lightning Talks (15 minutes + 5 minutes Q&A)
- Posters

For Panel Discussion and Workshop, please send the main topic, and brief C.V. of all the speakers with the topic on which each one will speak. For further details please visit the website: www.icwes17.com
