

Yohann Thomas is a Mechanical Engineer, currently working in Hyderabad.

He developed a keen interest in Wikipedia after being amazed on how in 2008 the Mumbai Attack Article constantly evolved as the attack progressed. Since then he has been contributing to English Wikipedia. He had his first exposure to the Pune Community in 2012 at Wikipedia Takes Pune. Currently working in Hyderabad, he is an active Hyderabad Community member. He has been a Chapter Member since 2013. He successfully organized many Wikipedia Workshop & events around India

He is passionate about building strong local communities, which the very foundation of the India Chapter is built on.

He was elected to the Wikimedia India Executive Committee in November 2014, and was serving as President from 2015-2017. He is currently serving as the [Secretary in Wikimedia India](#)
